GUAM TAX STRUCTURE

The U.S. Congress created the Territorial Government of Guam as a separate taxing jurisdiction by enactment of the Organic Act of Guam in 1950. Section 31 of the Act provides that the income tax laws in force in the United States shall be the income tax laws of Guam, substituting Guam for the United States where necessary and omitting any inapplicable or incompatible provisions. The U.S. Internal Revenue Code with such changes constitutes the Guam Territorial Income Tax Law.

There is the usual range of other types of local taxes such as, real property, liquor, tobacco, liquid fuel, automotive surcharges, gross receipts, use, and hotel occupancy. However, there is only one taxing authority in the Territory, the Government of Guam. There are no separate municipal, county, school district or improvement district taxes. Additionally, Guam does not impose a general sales tax directly on the consumer.

AGENCY FUTURE OUTLOOK

The *Tax Cuts and Jobs Act of 2017*, has created an adverse impact upon the Government of Guam. This mandate results in a significant revenue shortfall of approximately \$68 Million in FY2018 and \$120 Million in FY2019 Budgets. This budget crisis has catapulted our government bodies to immediately begin considerations in tax increases, budget reductions, and other effective budget measures. In addition, because the Department of Revenue and Taxation (DRT) is tasked with the collection of taxes and fees that finances our government's operations (taxes and fees make up approximately 96% of the general fund deposits), our efforts, practices and procedures have become the focus of the FY2019 Budget for the Government of Guam.

In the face of recurring challenges and added pressures on our work force and its resources, such as this massive revenue shortfall, DRT's staff continues to effectively collect on both current and delinquent taxes. We will continue our successful efforts in the processing of refund liabilities efficiently and timely while our staff simultaneously furthers their dedicated efforts to providing our public paramount services in every area together with effective enforcement.
