PROMOTE AND PRESERVE CHAMORRO CULTURAL AWARENESS THROUGH PROGRAMS, SUPPORT SERVICES, ACTIVITIES, PUBLICATIONS AND EDUCATION.

### About Us

Public Law 25-69 established the department entity that recognizes and advocates the perpetuation, promotion, and the preservation of our Chamorro Heritage. The Department of Chamorro Affairs (DCA) reorganized and merged the Hagåtña Restoration and Redevelopment Authority, Guam Council on the Arts and Humanities Agency, Guam Public Library System, and Guam Education Telecommunications Corporation (dba PBS Guam). All employees are now under DCA. All programs link with one another and the administrative support staff are able to effectively provide all programs with administrative services needed and are in line with streamlining the government in more efficient and effective ways. DCA has opened all of its doors and has increased in its hours of operation to better meet the needs of the community and the programs have increased collaboration among the divisions with grants, activities, special projects and exhibits.

# PERFORMANCE REPORTS

The plan was incorporated into the official supporting documents for the Request for Proposal to outsource museum operations.
- During this fiscal year, the Guam Museum staff continued to work closely with artists that were selected under the Percent for the Arts to create works of art that were critical in telling the story of “I Hinanao-ta” at the new museum. The Guam Museum provided background information of historical time periods to the artists so they can create their works of art based on credible facts. The Guam Museum also worked closely with museum designers, Barry Howard and Lyn Henley, in providing requested artifacts and photographs to be included in the permanent exhibit of the new museum.
- The Guam Museum worked closely with DCA management in developing a Request for Proposal for an Education Outreach and Docent Training program. The RFP was advertised but the process was cancelled.
- Due to lack of funding for furniture for the new museum, the Guam Museum was afforded office cubicles from the former GPA building in Harmon. Guam Museum, DCA and HRRA coordinated with GPA in transferring the cubicles to the DCA offices until they can be permanently relocated to the new museum.
- The Guam Museum presented to Department of Education’s librarians at their annual conference, "Integrating Library Services for Effective Learning". The presentation focused on resources to be available at the new museum.
- The Guam Museum exhibited at the 2015 Guam Micronesia Island Fair with an exhibit titled “Textiles of Micronesia”. You can learn more about the exhibit at this link:
