Fiscal Year 2017

Citizen Centric Report

Website: www.csc.guam.gov

HISTORY

The creation of the Guam Civil Service Commission (CSC) was first contemplated in the Organic Act of Guam under §1422c, which states,

“The legislature shall establish a merit system and, as far as practicable, appointments and promotions shall be made in accordance with such merit system. The Government of Guam may by law establish a Civil Service Commission to administer the merit system. Members of the Commission may be removed as provided by the laws of Guam.” [cited in part]

However, it was not until August 7, 1967, with the passage of Public Law (PL) 9-86 that the CSC was actually created. The creation was prompted by a letter from then Governor Manuel F.L. Guerrero, which was submitted to the Ninth Guam Legislature to establish a CSC, separate from any operating department of the government in order to afford balance between the needs of the institution and rights of the employee.

The recruitment of the ALJ was a pursuit that the Commission has been looking forward to for years. With this, cases will now be adjudicated, thus eliminating the back-log we have been experiencing. Also, in this Fiscal year budget, the Commission, procured 6 U-Shape desks to replace old desks making for greater efficiency and space reduction. Additionally, the procurement of 12 Executive Chairs for the Board Room and 7 new Computers added a sense of authority and comfort as well as automated efficiency. The Commission's long range plan is to replace its 25 year old Recording System which, is no longer reliable and continues to have problems, with the of a State of the Art, Audio & Video Recording System to improve the quality of the Recordings conducted by the Commission to include Status-Call hearings.
