## *OPA AUDITOR RECEIVES CFE CERTIFICATION*

The Office of Public Accountability (OPA) is pleased to announce that Auditor Andriana Quitugua has successfully completed the fraud prevention and deterrence, financial transactions and fraud schemes, investigation, and law examinations administered by the Association of Certified Fraud Examiners (ACFE). After passing her examination in December 2016, Ms. Quitugua earned her professional designation of Certified Fraud Examiner (CFE) in June 2017.

Ms. Quitugua is an active member of the ACFE. The ACFE professional designation is recognized worldwide and requires each member adhere to the ACFE Code of Ethics and complete 20 hours of professional continuing education each year related to the detection and deterrence of fraud and ethics to maintain the CFE designation.

Ms. Quitugua earned her degree in Accounting and Criminal Justice at the University of Guam in December 2014. She joined OPA in May 2015 and currently works on performance audits and financial audit reviews, participates in Request for Proposal for audit services with local entities, and oversees legislative mandates and the OPA Hotline. Ms. Quitugua is OPA's first CFE.
