COMES NOW, GENERAL SERVICES AGENCY (GSA), the purchasing agency in this protest appeal and submits the following List of Issues to be determined by the Public Auditor:

LIST OF ISSUES

1. Whether Santa Fe's breach of the purchase order contract through its numerous deficiencies and failure to provide a suitable quarantine facility as required by the Emergency Health Powers Act (10 GCA § 19604) justified a cancellation and termination of the contract.

2. Whether the Procurement Law or the purchase order contract required GSA to give Santa Fe notice of its deficiencies as a quarantine facility, together with a ten (10) day opportunity to cure, prior to terminating the contract.

Respectfully submitted this 24th day of August, 2020.
