GSA's response to protest (Tab 3)

As indicated in the appeal, GSA did initially respond to Pacific Data System on September 16, 2021. On their issue regarding whether or not Docomo indicated that it did not meet the time frame for delivery. GSA stated that it agreed with PDS failed to submit a delivery period. However, at the time, said notification of acceptable delivery time was indicated in the DOCOMO's confidential documents. After internal discussions, on October 6, 2021, we send a revised memorandum to PDS informing them of the fact that DOCOMO did respond with a delivery time frame, but that it was stated in their confidential documents.

GSA's revised response should have addressed all concerns raised by PDS.
