GSA's response to protest (Tab 3)

As indicated in the appeal, GSA did initially respond to JJ's protest on October 6, 2021 (see attached). We acknowledged that the winning bidder, did not have a specialty license for this part of the bid. However, as stated under the laws for the Contractor's Licensing Board (21 GCA Section 70107(c), if he work is less than 35% of the total, they are authorized to do the project. Here, as stated by the Department of Park's and Recreation, the specialty needed license encompasses 10-15%. Therefore, the requirement for a specialty license is not required.
