Re: Protest of GSA Request for Quote No. RFQ15000381

Dear Ms. Acfalle:

As a result of GSA's response to our clarification questions received on February 23, 2015 (copy attached), PDS is filing this PROTEST in accordance with 5 G.C.A. § 5425(a) in reference to the above GSA RFQ.

PDS makes this timely protest for the following reasons:

1. The 1Gb WAN service being procured under this RFQ is the same as the GGWAN services previously procured under GSA-IFB-064-11 (Bid Form Part 11) that is currently under procurement appeal. Temporary procurement of these services is subject to the terms of the Settlement Agreement entered into by PDS, GSA, the AG, and OPA on May 18, 2012 (copy attached). GSA has violated this agreement for its failure to condition the term of the services according to the Settlement Agreement (see point #4).

GSA is reminded that PDS has filed a timely protest of the above referenced procurement under 5 G.C.A. § 5425(g) and no further action on this procurement can be taken until this protest has been duly reviewed and an appropriate determination made.

Sincerely,

John Mantanona
Account Manager

Re: Protest of RFQ15000381

Dear Mr. Mantanona:

We are in receipt of your protest dated March 3rd, in which you are protesting the Request for Quotation for a 1 Gb Wan service. The bases for your complaint is that you believe that this is the same request for service that is part of GSA bid number 064-11, which is currently under litigation. Because the entire bid is under an appeal, the services that are required is being procured through an emergency procurement. Furthermore, and more importantly, the issue of "dark fiber" is not in the bid document.

Therefore, based upon all of the facts, your protest is DENIED. You have the right to seek any administrative or judicial review authorized by law.
