

DECLARATION OF AURORA U. KOHN

I, AURORA U. KOHN, declare under penalty of perjury under the laws of the United States and Guam that the following statements are true and correct:

1. I am of legal age and not a party interested in this case.
2. I work as a paralegal in the office of John Richard Bordallo Bell, Esq.
3. On July 30, 2016, at 11:34 am, I spoke on the phone with Fredy Calaranan. I knew that it was Fredy Calaranan because our legal assistant/ runner, Ladd Curtis Bell, was with Mr. Calaranan at Holiday Tower when I asked to speak with Mr. Calaranan. Mr. Bell then gave his phone to Mr. Calaranan and Mr. Calaranan confirmed his identity to me on the phone. Mr. Bell had previously confirmed the identity of Mr. Calaranan when he requested Mr. Calaranan to give the Subpoena from the Office of Public Accountability and a check for the witness and mileage fees to Mr. Carlos Halehale on June 24, 2016.
4. Mr. Calaranan confirmed during our telephone conversation that he did deliver and Mr. Carlos Halehale did receive both the subpoena issued by the Office of Public Accountability as well as the check for the witness fees and mileage but Mr. Calaranan refused to sign a proof of service form that our office had prepared for his signature because he did not want to get involved.

I declare under penalty of perjury under the laws of the Territory of Guam that the foregoing is true and correct.

Dated this 1st day of July, 2016.
