Docket No.: **OPA-PA-12-007**

**DECLARATION OF
ED CAMACHO CRUZ**

I, **ED CAMACHO CRUZ**, first being duly sworn on oath, do hereby
declare and state as follows:

1. I am above the age of 18 years old, I have personal knowledge of
the matters herein, and I am competent to testify hereto.

2. I am the Chief Information Officer of the Bureau of Information
Technology, Government of Guam (BIT). The BIT is the public agency that provides the
Government of Guam with computer and information technology (IT) policy, planning, and
support services.

3. On or about December 4, 2012, a meeting was held to discuss the possible

1 resolution of this protest appeal. Including myself, also present at the meeting was Assistant
2 Attorney General Benjamin (“Ben”) Abrams, Arthur Clark, Jonathan Littlepage, and Tom Ashe.

3 4. Tom Ashe is a former employee of the BIT. He is the person who
4 designed the current makeshift Point of Sale System (POS) that the Government is presently
5 using pending a resolution of this protest and an award of the RFP.

6 5. During the meeting, AAG Ben Abrams said to everyone present that Mr.
7 Mr. Littlepage and Mr. Ashe “could come up with something” below \$15,000 that would fix the
8 DOA-DRT interface and the POS System. The fix would mean that the Government would no
9 longer need the services that were solicited for in the RFP at issue.
10

11 I declare under penalty of perjury under the laws of Guam (6 G.C.A. § 4308) that
12 the foregoing is true and correct.

13 Executed this 17th day of December, 2012.
