OPA CASE NO. OPA-PA-12-014

**DEPARTMENT OF EDUCATION'S
RESPONSE TO PACIFIC DATA SYSTEMS,
INC.'S MOTION FOR RECONSIDERATION**

On October 11, 2012, the Public Auditor issued a Summary Order Dissolving Stay and Ratifying Award to Softchoice as in the Best Interest of the Territory ("Summary Order"). In the Summary Order, the Public Auditor stated that a subsequent detailed order will follow. On October 15, 2012, Pacific Data Systems, Inc.'s ("PDS") filed a Motion for Reconsideration with the Office of Public Accountability. PDS' Motion for Reconsideration raises issues that are still before the Public Auditor and have not been decided. Therefore, both PDS' motion and a substantial response from GDOE would be premature at this time. However, GDOE reserves the right to respond to PDS' Motion for Reconsideration at such time as the Public Auditor issues a decision and order regarding the merits of this matter.

Dated this 19th day of October, 2012.

Respectfully submitted,

GUAM DEPARTMENT OF EDUCATION
