The law firm of **CUNLIFFE & COOK**, A Professional Corporation, hereby enters its appearance on behalf of interested party MEDPHARM. MEDPHARM is an interested party by reason of (a) being the lowest responsible and responsive bidder on Guam Memorial Hospital Authority 020-2012; (b) having been awarded the contract for this procurement, (c) having signed the Agreement between Guam Memorial Hospital Authority and MEDPHARM for services pursuant to Guam Memorial Hospital Authority 020-2012, and (d) having received a Notice to Proceed to commence work on the Contract.

MEDPHARM requests that the Agency and the Office of the Public Accountability provide it with all reports, filings, and documents to which such an interested party is entitled.

MEDPHARM also requests notice of, and an opportunity to be heard at, any and all hearings held in this matter.

---

MEDPHARM further notes that because an award has already been made in this procurement, it is too late for a stay of the solicitation or the award pursuant to 5 GCA §5425(g). Instead, JMI's remedies, if any, are limited to the remedies after an award as set forth in 5 GCA §5452.

MEDPHARM reserves any right it may have to file any further response to JMI's protest, or to join in any response files in response to JMI's protest, or both.

Respectfully submitted this 28<sup>th</sup> day of October, 2013.
