HISTORY

The creation of the Guam Civil Service Commission (CSC) was first contemplated in the Organic Act of Guam under §1422c, which states,

“The legislature shall establish a merit system and, as far as practicable, appointments and promotions shall be made in accordance with such merit system. The Government of Guam may by law establish a Civil Service Commission to administer the merit system. Members of the Commission may be removed as provided by the laws of Guam.” [cited in part]

However, it was not until August 7, 1967, with the passage of Public Law (PL) 9-86 that the CSC was actually created. The creation was prompted by a letter from then Governor Manuel F.L. Guerrero, which was submitted to the Ninth Guam Legislature to establish a CSC, separate from any operating department of the government in order to afford balance between the needs of the institution and rights of the employee.

HOW WE PERFORMED

APPEALS PER YEAR

APPEALS

The CSC saw a steady decline of Adverse Action appeals between 2008 and 2010. However, there was an increase of Whistleblower and Mini-Hatch Act Appeals. The number of appeals were solely determined by the employees themselves in direct relation to the number of actions administered and processed by the individual government of Guam agencies.

PERSONNEL ACTIONS REVIEWED PER YEAR

2008	8,869
2009	12,177
2010	10,540

PERSONNEL ACTION REVIEW

The number of personnel actions submitted and reviewed greatly increased between 2008 and 2009, but slightly declined in 2010. This was due in part by the enforcement of Title 4 GCA § 4403 (e).
