Divisions

Director's Office:

Oversees the operation and function of all divisions.

Division of Accounts:

To provide accurate and timely financial information and control, thus ensuring the Government's financial integrity and promoting an efficient, effective and accountable government.

Human Resources:

To provide an effective and efficient Human Resources program for Government personnel who are servicing our customers.

General Services Agency:

To support the Government of Guam department/ agencies effectively and efficiently through the procurement process by continuously developing and using sound procurement policies and practices

Office of Technology:

To provide cost-effective, effective, and reliable information technology (IT) support for the Executive Branch of the government of Guam, with focus on quality in order to satisfy the support needs of our customers and our community at large.

Mission

To provide support to Government of Guam agencies, to assist them as they effectively and responsibly carry out their mission and responsibilities. We accomplish this by providing financial, cash management, procurement, information technology and human resource service.

To maximize the efficiency and effectiveness of the Government of Guam by providing administrative, fiscal, and policy direction for the execution of a variety of government-wide support services.

The Department of Administration manages \$1.3 BD in funds annually. These funds keep the government's daily operations running smoothly.

All financial activities of DOA are in line with the Mission, Vision and Goals established by law. The 2016 Comprehensive Annual Financial Report (CAFR) may be viewed and/or downloaded at http://da.doa.guam.gov/cafrs-updated/

What's Next?

Fixed Assets Software and Hardware Upgrade

DOA's Division of Accounts recently received a Department of Interior (DOI) - Office of Insular Affairs (OIA) Technical Assistance Program Grant which will provide funding for fixed assets software and hardware upgrade. This will help eliminate audit findings related to fixed assets.

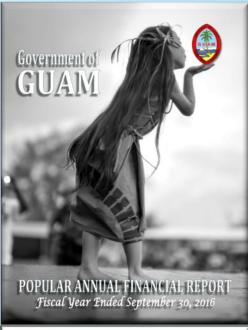

Future Training Opportunities

DOA is coordinating with The Graduate School USA to provide financial training opportunities for the Government of Guam staff.

Future trainings include:

- ♦ Government Accounting—Basic level
- ♦ Governmental Year-end Closing Process
- ◆ Corrective Action Plans
- .. and many others...

After finalizing the first Popular Annual Financial Reporting (PAFR) for FY2016, the Department of Administration is working to complete the FY2017 report.

Download the FY2016 PAFR here: http://da.doa.guam.gov/pafrs-updated/

Financial Systems Upgrade & Paperwork Efficiencies

The DOA's Division of Accounts goal is to streamline and reduce administrative workforce inefficiencies to maintain financial integrity and current unmodified audit status. The Division of Accounts expects this project to:

- Develop and improve work process efficiencies and standard operating procedures
- Identify processes and tasks that can be streamlined or eliminated
- •Increase all administrative staff knowledge of and capabilities with using and managing digital documents
- Electronic documentation to decrease the costs associated with the supplies, maintenance, management and storage of hard copy documents.
