Revenue Breakdown FY 2014

*Numbers may not exactly match the chart above due to rounding

Expenditures Breakdown FY 2014

The total revenues for the year ended September 30, 2014 is **\$295,639,076**.

As a GovGuam line agency, GDOE received **81%** of its funds thru **Local Appropriations**: the General Fund, Salappe Prinsepap Fund, Territorial Education Facilities Fund, Interscholastic Sports Fund, Health & Physical Activities Fund, Public Library Resources Fund, Textbook Fund and Chamorro Studies.

18.5% or **\$54,629,762** of revenue is from **Federal Grants and Contributions**.

\$1,232,326 from **Cafeteria Sales, Fees and Other Program Receipts** made up the remainder of the revenue for GDOE.

Total expenditures for the year ended September 30, 2014 is **\$399,579,002**. **40.5%** or **\$161,742,534** is for **Elementary and Secondary Education**; these expenditures included salaries, benefits, contractual services, utilities, supplies, and equipment.

16.9% of expenditures are attributed to **Direct Student Support**, to include: special education, gifted and talented program, vocational technical education, and head start.

14.6% was spent on **General Administration** and **.7%** or **\$2,832,500** was transferred to the Guahan Academy Charter School, representing a full year of funding for the charter school.

4.8% of expenditures were for the **Lease payment** for Adacao Elementary, Liguana Elementary, Astumbo and Untalan Middle, Okkodo High, John F. Kennedy High, Tiyan High, and Okkodo High School expansion; and **.9%** or **\$3,744,380** in operating lease payments.

2.1% or **\$8,267,264** was expended on retiree healthcare benefits.

The **primary** component of GDOE's expenditures are in personnel, representing **\$217,420,061** or **54.06%** of total expenditures in FY14. When compared to FY13, these expenditures increased by \$11.3M and may be attributable to pay increases effectuated in February 2014 under the GovGuam Competitive Wage Act (GGCWA).

Utilities (power, water, telephone) expenses made up **4%** or **\$16,937,763** of expenditures.

Additional Discussion

From FY13 to FY14, total assets **increased** by **\$44.5** million and total liabilities **increased** by **\$71.6** million resulting in an overall **decrease** in net assets of **\$27.1** million. The \$77.3M increase in noncurrent liabilities related to the Okkodo expansion and Tiyan lease were primary drivers for the \$71.6M in total liabilities. Additionally, the GGCWA impacted the amounts of employee leave payable from \$10.6M in FY13 to \$14M in FY14.

Total Revenues in FY14 **increased \$5.2M**, from **\$290.4M to \$295.6M**, **\$13.4M more** in total appropriations and **\$7.47M less** in Federal Grants and Contributions when compared to FY13.

FY14 marked the 4th year, GDOE's U.S. Dept. of Education grant funding has been supervised by a third party fiduciary agent under special conditions to address GDOE's 'high risk' grantee status. Progress on the comprehensive correction action plan to remove GDOE from this status is reported to USDOE quarterly. The plan and the Single Audit Report are available on GDOE's website www.gdoe.net.

GDOE received \$2.8M in U.S. Dept. of Interior funding in July 2013; the funding is earmarked for furthering access and use of technology for students in the classroom.
