*Plan Outlines Engagements for 2023*

**January 19, 2023**

Hagåtña, Guam – The Office of Public Accountability (OPA) has issued its Annual Work Plan for calendar year (CY) 2023. The plan provides the vision and framework for OPA’s engagements for 2023 and is in line with OPA’s strategic plan that covers CY 2019-2023.

In developing its annual work plan, OPA did various activities including conducting risk assessments, seeking feedback from government leaders and the public, reviewing legislative mandates, and identifying hotline tips and citizens’ concerns.

Through extensive deliberations and taking all factors into account, OPA prioritized performance audits relative to revenue collection, government expenditures, and cost-savings programs.
