# PRESS RELEASE

## The Office of Public Accountability Receives Bronze (3<sup>rd</sup> Place) for the “Excellence in Citizen-Centric Reporting” Award for FY 2020

November 30, 2021

Hagåtña, Guam— The Association of Government Accountants (AGA), Guam Chapter presented the Office of Public Accountability (OPA) with the Bronze Award (3<sup>rd</sup> place) for “Excellence in Citizen-Centric Reporting” award for fiscal year 2020. The Guam Behavioral Health and Wellness Center received the Gold Award for 2<sup>nd</sup> place, and the Guam Housing Corporation was awarded the Platinum Award for 1<sup>st</sup> place.

The Citizen-Centric Report (CCR) initiative, adopted through Public Law 30-127, assists in advancing accountability and transparency in our government. This report provides information about the entity’s goals, performance measures, audited financial statements, challenges and outlook of your operations, and most importantly, how taxpayer dollars are spent in a manner that is easily understandable and accessible to our citizens.

OPA was presented the award at the AGA’s November General Membership Meeting on November 17, 2021. We thank the voting committee and the AGA Guam Chapter for the award and selection of our CCR. The OPA continues to stay committed to good governance and responsible fiscal action. Our office will continue to promote transparency and accessibility to the public.
